

Penyffordd Community Council

Councillor Profile – David Williams

Name

David Williams

How long lived in the village?

I have lived in the village nearly all of my life, born Trevalyn Hospital Rossett while living in Hope till the age of three, moved away for a year when nine and came back to Pen-y-ffordd living here since then.

How long you have been on the council?

14 years as County Councillor and 13 years as Community Councillor.

Any other involvement with groups etc in the village

- Community Hwb - working on the community asset transfer.
- WMI Committee.
- Give support to the local football club having been involved from 1974 until 2016

What Working Groups are you involved with?

- Environment and Infrastructure groups for the Community Council.
- Member of Education and Youth and Constitution and Democratic Services Scrutiny Committees' in the role of County Councillor.

Personal interest, hobbies, family etc

Served engineering apprenticeship with BSC, working there nearly ten years, then worked in engineering at Aerospace for ten years. Re-trained as a Technology teacher and taught at Whitby High school in Ellesmere Port for 23 years. Retired in 2016.

Married with three grown up children and two grandchildren. Son Christopher is scout leader and is an engineer at airbus, and two daughters, Hayley and Rhian, both work in London in employment related to their degrees in Economics.

Do a lot of DIY and things around garden. Keen on all sport, especially football following Wrexham, hopefully to LA then the premiership very soon!?
