What Working Groups are you involved with?

I am involved in the Community Engagement Group; my passions for the village include ensuring the young people of the village have a voice and activities to interest them. I am also very passionate about the health and wellbeing of all our community; tackling isolation, inequality and ensuring we support and look after each other. I am very proud of the village and community I reside in and am very fortunate to love where I live.

I enjoy hiking/walking, Paddleboarding, spending time with my children and walking my dog Reggie. I have worked in the NHS for 21 years and am originally from the Welsh/Shropshire border. My family are originally from the Mid Wales farming community and my parents, brother and his wife and children reside across Shropshire. I have 2 boys aged 8 and 11 who utilise the local primary and secondary schools.
