Document type: Policy

Version number: 1 (July 2016)

Date review due: 13th March 2024

1. PART A

The regulations of the LGPS require every employer to

- (i) issue a written policy statement on how it will exercise the various discretions provided by the scheme,
- (ii) keep it under review and
- (iii) revise it as necessary.

This document meets these requirements stating the regulation requirement and the organisation decision on these.

These discretions are subject to change, either in line with any change in regulations or by due consideration by Penyffordd Community Council. These provisions do not confer any contractual rights.

Local Government Pension Scheme Regulations 2013 and the Local Government Pension Scheme (Transitional Provisions and Savings) Regulations 2014

1.1 LGPS (Benefits, Membership and Contributions) Regulations 2014 Regulation 16 (2) (e) & 16 (4) (d)

An employer may choose to contribute to a Shared Cost Additional Pension Contribution (APC) scheme in certain circumstances. In the case of an employee paying APCs to buy any or all the 'lost' pension for a period of authorised unpaid leave of absence (including any period of unpaid additional maternity, paternity or adoption leave), the employer shall pay 2/3rds of the cost of the APC (election by the employee to buy back lost pension must be made within 30 days of returning to work). This is known as a Shared Cost Additional Pension Contribution (SCAPC).

Where the absence is in relation to a trade dispute, the employee meets 100% of the cost.

If an employee chooses to make a one off contribution or regular additional contributions in order to buy a set amount of additional pension. It is possible for an employer to contribute towards the cost of purchasing such pension on a voluntary basis. The split between an employee's and employers' additional contributions for an SCAPC can be any ratio as agreed but not 100% cost to the employer.

Details of Policy Concerning Resolution

Where a member must elect to buy back lost pension within 30 days of returning to work, Penyffordd Community Council may choose to extend the 30 in cases of extreme circumstances.

Due to potential cost burden Penyffordd Community Council will not contribute towards the cost of the employee purchasing additional pension.

1.2 LGPS (Benefits, Membership and Contributions) Regulations 2014 Regulation 30 (6) & Transitional Regulation 11 (2) (flexible retirement)

An employer may allow a member of the pension scheme who has attained the age of 55 to reduce the hours he / she works, or the grade in which he / she is employed and gain access to some or all of their pension benefits.

Details of Policy Concerning Resolution

Each case will be considered on its own merits following full consideration of all financial and service delivery implications.

1.3 LGPS (Benefits, Membership and Contributions) Regulations 2014 Regulation 30 (8) (flexible retirement)

A member of the pension scheme who has attained the age of 55 and with his / her employer's consent, reduces the hours he / she works, or the grade in which he / she is employed, may make a request in writing to receive all or part of his / her benefits under the Benefits Regulations.

If the benefits are reduced in accordance with guidance issued by the Government Actuary, the employer may agree to waive, in whole or in part, any such reduction.

Details of Policy Concerning Resolution

Any employee request for flexible retirement will be considered on its own merits following full consideration of all financial and service delivery implications.

Where there is a capital cost to Penyffordd Community Council it is unlikely that the request will be agreed unless the capital costs can be offset by financial savings.

This does not preclude younger employees requesting flexible working but without the payment of their retirement benefits.

Under flexible retirement a minimum of 20% reduction in working hours will be necessary.
