The audit of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

Issues Raised

- Expenditure powers S137 power incorrectly used
- Internal Auditor's recommendations

The following issue(s) have been raised to assist the body. The body is recommended to take action on the following issue(s) to ensure that the body acts within its statutory and regulatory framework.

Expenditure powers - S137 power incorrectly used

What is the issue?

Payments were made to one or more of the following: a local social, sports or youth club(s) which could have been authorised under S19 of the Local Government (Miscellaneous Provisions) Act 1976, power to provide recreational facilities within and outside of the area.

Why has this issue been raised?

The council incorrectly recorded items as Section 137 payments when other statutory powers existed. A payment cannot be recorded under \$137 if another statutory powers exists.

What do we recommend you do?

The council must ensure in future years that it reviews the list of statutory powers available to council to establish if a power exists before relying on S137 to authorise a payment. The statutory power being used to authorise expenditure should be recorded alongside the item to demonstrate the council has properly followed its standing orders and financial regulations.

Internal Auditor's recommendations

What is the issue?

The internal auditor has noted some recommendations in the financial systems of the council.

Why has this issue been raised?

The council is exposed to the risks associated with these recommendations.

What do we recommend you do?

The council must implement the recommendations made by the internal auditor to improve the financial systems of the council as soon as possible or in any event before the end of the current financial year.

If the council addresses all the issues raised by the internal auditor the council should improve internal controls which will help to prevent and detect error and fraud and assist the council to operate in an effective and efficient manner.
